Mike Merritt's Heating & Air will perform one maintenance tune-up per year on the above-listed equipment. Please Circle your requested month you would like the tune-up to be performed, and our office will call you to schedule: October November December January February March

Each tune-up will include the following:

- 1) Inspect wiring and electrical connections
2) Clean condensate drain pan and line and treat with algaecide
3) Test safety controls
4) Check condenser coil and clean if necessary
5) Lubricate moving parts where applicable
6) Check Freon and adjust as necessary
7) Check refrigerant lines for abrasion
8) Measure evaporator temperature differential
9) Check for external corrosion
10) Test unit in all operating modes
11) Test power consumption to analyze efficiency
12) Check and adjust thermostat calibrations
13) Check electrical controls

Mike Merritt's Heating & Air will warranty all initial diagnostic Service Calls at no charge for one year Monday thru Friday. There will be a \$35.00 charge for weekends and holidays. All parts and refrigerant will be billed accordingly. Additionally, as a Gold Plan Customer, you will be given priority for emergency service over non-Gold Plan customers.

This agreement is effective on the date of payment and will continue for _____ year(s).

You will automatically be mailed a renewal Gold Plan at the time of expiration.

The total price of this agreement is \$_____.
